REQUEST FOR CORRECTION OF ERROR
IN CORRESPONDENCE ADDRESS AND CUSTOMER NUMBER

This paper is filed to request correction of an unauthorized change in correspondence address that occurred on February 5, 2010 in connection with payment of the issue fee for the subject patent application. In filling out the online Form PTOL-85 - Part B Fee(s) Transmittal, Applicants inadvertently inserted an incorrect address at the top of the form under the heading "Current Correspondence Address." In spite of the fact that no Change of Correspondence Address form PTO/SB/122 was submitted and the corresponding box in Box 1 of PTOL-85 – Part B was not checked, this typographical error resulted in a change of correspondence address in the USPTO record.

The previous and correct correspondence address is:

David W. Highet, VP & Chief IP Counsel
Becton, Dickinson and Company
1 Becton Drive
MC 110
Franklin Lakes, NJ 07417-1880
Customer No.: 26253

Applicants request that the correspondence address and customer number on record prior to submission of form PTOL-85 Part B – Fee(s) Transmittal, as shown above, be reinstated. A copy of a corrected form PTOL-85 Part B – Fee(s) Transmittal showing the correct correspondence address is submitted herewith. This document is for information only. The issue fee has been paid and an issue date of March 23, 2010, has been established for this application so no fees are due.

Respectfully submitted,

Dated: March 9, 2010
